examen

Semestre. 6° Grupo. M

Lugar. Tuxtla Gutiérrez, Chiapas, México

Fecha. 18/ 02/2025

Browser interface showing a REST client for the endpoint `localhost:3000/productos/usuarios`. The interface includes a toolbar with navigation and refresh icons, a bookmark icon, and a tab bar with three tabs: "EA FC 24 Ultimate T...", "Tablero | educa-t", and "Paletools v25.1.9".

The main area displays the response for the endpoint, which is a JSON array of three user objects. The response is formatted with syntax highlighting and a checkbox labeled "Impresión con formato estilístico" is checked.
